

Expanded Service for Regular Routes

Game Day, September 12, 2026

All K shifts for Saturday, September 12th, aside from the 80 CRC, 100 TTH, and 102 TTS, will start half an hour earlier. Kickoff for the game is at 12:00pm, and we want all routes to start 3 hours before the game.

For every route other than the SME/NMG routes, you will begin your pre-trip and depart from your first time check half an hour early.

For SME/NMG routes, you will begin your route at the opposite side, so if the route usually begins at Fairfax Road, it will instead begin at Red Maple Drive, and vice versa.
