< 3 alighted

< 4 boarded

< 1 boarded

< 2 boarded

< 2 boarded

< 5 alighted

< 10 people were on the bus as it pulled into the last stop.

Between the first and last stop, you put down how many people got off and/or got on at that stop
 First and Last stop is a count of people on board the bus. First stop how many are on the bus as it leaves the stop.
 Last stop is how many people are on the bus as it pulls into the last stop.
