

FY 23 Spring BT Route Service Changes Beginning January 15, 2023

UPDATED 12/14/22

Full Service Planned Service Additions/Changes:

Weekday Service Adjustments

- Add HWB 27E to 6:45-9:45pm schedule. Retain HWA/HWB split schedules and routing.
- Updated pattern for connected HDG-HXP on 20-minute frequency.
 - Leave times for Harding Avenue at Ascot will be adjusted 5 minutes to “slow” the route down and allow for a couple minutes extra off-campus rather than a longer Time Check at Burruss.
 - Time checks at Newman Library and Burruss Hall. (Updated schedule also applies to HDG-HWD during the times we still have that loop on Reduced Weekends.)
- Internal scheduling strategies to help reduce “lost trips.” Stand-By’s in lieu of regular route shifts. Will be assigned to open shifts or a bus for swaps and “cut in” trips where needed to keep other routes on schedule.
- Spring (& Future) VT Exam Service may/likely include earlier service start times and expanded Saturday service.

Late Night and Weekend Service Adjustments

- Add 1 bus on Weekends to split the UCB/HWD connected into two 23 HWD and 40 UCB separate routes. Start of service through 9:45pm KLMN on Saturday. Start of service through 6:45pm KLM on Sunday.
- Exam Saturdays may/likely expand some service and start earlier.

Reduced Service Planned Additions/Changes

Weekend Service Adjustments

- Updated Harding Avenue schedule and Time Checks also apply to HDG-HWD during the times we still have that loop on Reduced Weekends.
