

# Planned Stanger Street Closure – Detour Details January 3-14, 2022

---

Construction will close a portion of Stanger Street beginning Monday, January 3, 2022. BT routes will detour away from this area during the duration of work. BT will plan to resume normal Service on Saturday, January 15, 2021, unless construction is delayed.

**NOTE:** Tall Oaks Detour on Hethwood B (27) will likely continue through mid-January.

## Stops Affected

- 2 BT stops on Stanger Street will be closed: Old Security Bldg #1104 and Old Turner Wbnd (McBryde/Kelly Hall) #1106.

## Notes

- Detour signs (Stop Closed and Rider Alerts) will be posted at the end of service on January 2, 2022.
- Detoured BT route buses will service all stops they pass while on detour, unless otherwise noted.
- Use PR code 10 for Detour, or appropriate 5000 Temporary Detour code.
- Press “DONE” button when Mentor displays “Off Route” during detour.
- Adjustments may be necessary to planned detours if conditions change.
